Family Entertainer's Home on Green Acres

You've arrived! (along with the kids, grandparents and pets!)

Driving up the winding driveway of your family's very own six acre property with expansive front garden, it's impossible to ignore the wide girth of this double, storey character home with its earthy terracotta tones and impressive exposed beams. A five minutes' drive from the freeway, you'd be forgiven for thinking you were in the country when you step foot in your big slice of suburban paradise amongst the sweet singing lorikeets, butcher birds and kookaburras that also have made the surroundings their home.

Boasting an enormous upstairs games room featuring saloon style wet bar and its equally long entertainer's

Land Size : 6 Acres
